

**AN ORDINANCE AMENDING “UTILITY FEES” AS CONTAINED IN THE  
CITY OF KINSTON MANUAL OF FEES AND CHARGES**

BE IT AND IT IS HEREBY ORDAINED by the City Council of the City of Kinston that the Utility Fees as contained in the Manual of Fees and Charges, pursuant to the city of Kinston Code of Ordinances, be amended as follows:

SECTION 1. That the current utility fees are amended by amending the wholesale wastewater collection and treatment rate as described below:

**\$57.50 PER MONTH MINIMUM**

**VARIABLE CHARGE:**

**WASTEWATER TREATMENT AND COLLECTION: \$3.00/1,000 GALLONS**

**WASTEWATER TREATMENT ONLY: \$2.74/1,000 GALLONS**

This rate is available to customers who will serve 50 or more residential or commercial properties which are active accounts in the initial development of the project and where the City of Kinston has no ownership or maintenance responsibilities for the sewer collection system, unless negotiated by separate agreement. Service will be supplied at one point of delivery and all charges for flow will be billed to one entity representing development. The wastewater treatment only rate is applicable for sewage delivered, as directed by the City, to the Briery Run Lift Station.

SECTION 2. That this Ordinance becomes effective July 1, 2010.

Adopted this the 5<sup>th</sup> day of April, 2010.

---

Carol L. Barwick, City Clerk

Effective Date

Effective for billing rendered on or after July 1, 2010.

This was passed by the City Council on April 5, 2010.

15% increase in monthly minimum and variable charges
