

**City of Kinston**  
**Economic Development Rider**  
**Code: E-19**

**Availability**

This Rider is available, as follows, for permanent electrical service and which begin receiving such service after February 1, 2022:

- 1) New commercial or industrial customers which enter into a service agreement with the city where the noncoincident peak (NCP) demand of the new load exceeds 500 kW.
- 2) Existing commercial or industrial customers which enter into a new service agreement with the city for either a new or expanded separately metered service where the noncoincident peak demand of the new or expanded load exceeds 500 kW.

This rider is available in conjunction with service under any of the City's applicable rate schedules.

Any Customer desiring to receive service under this rider shall provide written notification to the City of such desire. Such notice shall provide the City with information concerning the load, and load factor, to be served. The Customer's information shall provide the basis to the City that the characteristics of the load will meet the minimum eligibility requirements of this rider and the electric rate schedule to which this rider applies.

All terms and conditions of the electric rate schedule, whichever is applicable to the Customer, shall apply to service supplied to the Customer except as modified by this Rider.

**Monthly Credit**

The Customer will receive a Monthly Credit on the bill calculated on the then-effective electric rate, whichever is applicable to the Customer. The schedule of Monthly Credits will be calculated as described below under the heading "Application of Credit". Determination of Discount Schedule will be based on the calculated load factor during each billing period for the life of the agreement.

**Application of Credit**

Beginning with the date on which service under the then-effective electric rate is to commence for the eligible load and the customer meets the agreed demand and load factor requirements, a Monthly Credit based on the applicable discount schedules below will be applied to the total bill, including the Customer Charge, Demand Charges, Energy Charges, or Minimum Bill, excluding other applicable riders and special charges, if any.
